 - People can get in as of 3:45
 - They can register ahead of time
- Flyer can go up around the school
 - Joanna on it
- **Skating is totally optional, but parents need to supervise children**
 - This may be important to emphasize
 - No drop offs!

2/14 - Valentine's Day

- PTO is offering funds for purchasing food from district
- Happening during school day

- Per government funding and district rules, no other snacks allowed

2/29 Family Dance - Noelle/Jason, how do we add to Master Library? Currently RAS is on schedule until 6:30. Need committee? Budget available?

- Last year was 6-7:30
 - Might be worth double checking about basketball
- Two volunteers so far
- Need form to go home to parents for signing up
 - Due by?
 - Dan says day of is probably fine
- Should contact Steve and ask
- Pizza/drinks/desserts for menu
 - Plenty of water!
 - Donations for drinks and desserts would be great
 - **Should contact Officer Castro**
- Pizza!
 - Estimating 6 people per pizza - average of 2 slices
 - For 100 people, that's 17 pizzas
 - Each pizza is 16" and \$10 from Costco
 - Last year we purchased 40 pizzas for \$480
 - Any idea of the total number of people last year?
 - Receipts of \$1,125 (incl Hawk Hollow)

March 2024 Penny Wars - need new containers - ask on social media for cheeseball jugs?

- All money positive makes calculating much easier
- Will average per student to make it a bit more fair

May 2024 Board for 2024-2025: who will be returning, same position or different? Which positions do we need to fill?

Joanna

Dan

Jami

Most needed roles: President, VP, marketing, treasurer, secretary, fundraising

November 2024 Holiday Shop - do we want to repeat next year? Discuss date(s) and if we want to book early (missed date on e-mail but probably still get some sort of reward)

October 2024 Book Fair fall 2024 - when are parent/teacher conferences? Do we want to try to work timing around those? Currently set for 11/4-11/8

Future Purchase Ideas

- Coat rack for lost and found
- Cricut machine
- Science Ideas / STEM
 - Microscope
 - Robotics!?
 - Through library
 - 3D printer
 - (Dan can get you started with a bundle of filament)
