Final Penny War Results

Our penny war week was an absolute blast, with so many changes to the daily leaderboard! Grade levels discussed strategies (even sabotage), worked together, and in the end raised over \$2,200!

The 2nd Graders emerged victorious, and won the right to vote on the winning charity that will receive half the proceeds. They chose to donate to the DuPage County Animal Services. The other half will be donated to the Scholastic Book Fair "All for Books" fund.

The final leaderboard standings are:
