Dear Students and Families:

Our school, Spring Trail Elementary, is sponsoring our annual Walk-a-thon on Friday, September 16th! With a goal to foster a strong sense of community, both within our school and externally, we have some exciting plans this year! The PTO will provide each grade level with supplies to decorate a flag of their own design, and encourage class representatives to carry their flags during the walk to showcase their school pride! The Mayor and Police Department plan to attend and show their support to the students during the event.

The students will be raising money to help fund our PTO Board's financial needs, which in turn benefit all of the students and staff. We are asking for your help in raising money for this wonderful event!

We will have prizes for those students who raise money!

*(Please note that all prize colors and designs will be chosen for the student winners and might look different than what is pictured)*
