Dear Students and Families:

Our school, Spring Trail Elementary, is sponsoring our annual Walk-a-thon on Friday, September 22nd! With a goal to foster a strong sense of community both within our school and externally, our PTO will be providing each grade level with supplies to decorate a flag of their own design, and encourage class representatives to carry their flags during the walk to showcase their school pride! This year our students will take a short bus ride over to Bartlett High School and walk around their track!

**Please know that all students will still participate & receive an event t-shirt regardless of whether they are able to collect pledges/donations!**

The students will be raising money to help fund our PTO Board's Projects, which in turn benefit all of the students and staff. We are asking for your help in raising money for this wonderful event! We will have prizes for those students who raise money!

*(Please note that all prize colors and designs will be chosen for the student winners and might look different than what is pictured)*
